ARNG-HRH

12 January 2026

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Professional Education Center Fiscal Year 2026 Centrally Funded
Mandatory Full-Time Support Course Listing

1. Reference: National Guard Regulation 600-5 (The Active Guard Reserve (AGR) Program Title 32, Full Time National Guard Duty [FTNGD] Management).
2. Purpose: To identify centrally funded courses for Fiscal Year 2026 (FY26) and Full-Time Support (FTS) duty positions with corresponding mandatory training courses for initial entry, assigned personnel, and professional development requirements in the Title 32 (T32) Active Guard Reserve (AGR) program, in addition to Military Technicians (Dual Status) (MILTECHs) and Title 5 (T5) civilians, collectively called National Guard (NG) employees.
3. Applicability: Army National Guard (ARNG) T32 AGR Soldiers and NG employees serving in FTS positions.
4. Formal training at Professional Education Center (PEC) ensures FTS personnel receive standardized and current vocational training, as well as timely procedural and policy guidance to enhance unit and individual readiness. Enclosure 2 lists courses mandatory for all personnel assigned or those that will be assigned in corresponding duty positions, and those who require regulatory certifications and/or continuing education offered at PEC. Enclosure 3 lists the courses recommended for personnel as continued education and professional development. Enclosure 4 lists total course iterations and total available seats for FY26.
5. Commands/units are responsible for scheduling FTS personnel to attend the course(s) associated with their duty position. States should plan to schedule FTS employees to attend formal training at PEC for new FTS personnel within the first year of their employment. Per the reference, failure of AGR Soldiers to complete NGB prescribed courses at PEC for new FTS personnel within the first year of employment may be cause for reassignment to another full-time position or termination from full-time employment unless there are extenuating circumstances that preclude the full-time member from course attendance. Human Resources Officers should include a statement in T32 AGR and NG Employee vacancy announcements specifying mandatory FTS training as a condition of employment, when applicable.

ARNG-HRH

SUBJECT: Professional Education Center Fiscal Year 2026 Centrally Funded
Mandatory Full-Time Support Course Listing

6. The intent is to centrally fund AGR and NG Employee travel to attend the listed courses; however, travel funding is subject to annual availability of resources. PEC will receive and execute travel funds for AGR Soldiers and NG Employees attending FTS courses. PEC will publish funding and travel order guidance at the start of each fiscal year, or as required due to significant funding changes.

7. Traditional drilling/M-Day personnel are strongly encouraged to attend mandatory courses pertaining to their assigned duty position; however, States are responsible for securing and executing funds for M-Day personnel travel as M-Day personnel are not centrally funded for travel through PEC.

8. This policy memorandum will remain in effect until rescinded or superseded.

9. The point of contact for this memorandum is Mr. Tim Zimmerman, ARNG-HRH, at 703-607-3297 or timothy.w.zimmerman2.mil@army.mil. The point of contact for PEC training-related inquiries is Lieutenant Colonel John Pinion, PEC-ODT, at 501-212-6530 or john.d.pinion.mil@army.mil.
